PROFESSIONAL EXPERIENCE

Sole practitioner

March 2002 to Present

General litigation practice with concentration in counseling, transactional & litigation work relating to construction, construction professionals, technology, & real estate developments & transactions, where my engineering background is invaluable, for both plaintiffs & defendants. Practice areas include transactional work, leasing, land use, environmental issues, contract drafting & review, pre- & post-construction support for owners & contractors, professional malpractice & pre-litigation services, owner & tenant litigation, general commercial litigation, condominium & co-op law & real estate. I am also a trained New Jersey State Mediator.

Associate

Golden, Rothschild, Spagnola, Lundell, Levitt & Boylan Bridgewater, NJ

March 2001 to March 2002

General practice litigation with concentration in construction & technology matters for both plaintiffs & defendants with primary responsibility for several multi-million dollar litigation claims. Practice areas included contract drafting & review pre- & post- construction contractor & professionals support, general commercial litigation, condo & co-op law, consumer protection law & real estate.
